

SHIFT_

MURANO

The Nissan Murano combines stylish good looks with the latest in features and technology. Every element of the vehicle combines to create a highly rewarding experience for both the driver and passengers. The Nissan Murano will shift your concept of technology; it will shift your appreciation of versatility; it will **shift the way you move.**

Tinted Bronze Ti.

Tempest Blue ST.

EXTERIOR

The bold, streamlined contours of the Nissan Murano create a striking and stylish presence on the road.

18" ALLOY WHEELS

These ten-spoke wheels give the Nissan Murano a sporty edge.

XENON HEADLIGHTS WITH WASHERS

Helps keep the road ahead fully illuminated, even in the most extreme conditions.

LED TAILLIGHTS

Gives a smart, modern look to the rear of the Nissan Murano.

FOG LAMPS

Helps increase your visibility when needed.

REAR PRIVACY GLASS

A darker tint on the rear windows helps keep the cabin private and adds further sophistication to the exterior.

ROOF RAILS

Black roof rails on the ST and silver on the Ti provide you with added cargo carrying options.

EXTRA TI FEATURE POWER FOLDING MIRRORS

Parking somewhere tight? The Nissan Murano's mirrors will fold out of the way with the push of a button.

ENGINE

The Nissan Murano features a 3.5 litre V6 engine that delivers 191kW of power and 336Nm of torque for impressive acceleration whenever you need it. While powerful, the engine is also quiet, adding to your driving enjoyment. At the same time the engine's excellent fuel efficiency means plenty of time between visits to the petrol station.

CONTINUOUSLY VARIABLE TRANSMISSION (CVT)

Forget 5, 6 or 7 gears, CVT offers a virtually infinite number. So instead of feeling the gear changes, you will experience smooth acceleration as you reach your desired speed.

RIDE COMFORT

Being built on a passenger car derived platform, the Nissan Murano offers excellent handling, low noise vibration, comfortable suspension and overall safety. All the spaciousness you need with a surprising level of agility that you will appreciate.

SPEED-SENSING STEERING

The hydraulic power steering changes the feeling of the steering dependent on your speed. The result is a lighter touch for easy parking and when travelling at higher speeds than parking, it creates a more direct, confident experience.

INTELLIGENT KEY AND PUSH BUTTON IGNITION START

No more fumbling for keys. The Intelligent Key stays in your pocket or bag while you open the door by pushing a button. Once inside there is no need to put the key in the ignition as a button on the dash will start the engine.

Leather trimmed CVT shift lever shown. Ivory leather in selected Ti models only.

Intelligent Key shown.

Dual zone climate control air-conditioning shown (ST and Ti).

Ti interior shown.

HEATED SEATS

On a bitterly cold morning, you will appreciate the warmth of front seats with two seat settings and leather trim.

BLUETOOTH® HANDSFREE PHONE SYSTEM

Make and receive calls safely and legally using the steering wheel-mounted phone controls.

RAIN-SENSING TECHNOLOGY

One less thing to worry about. The windscreen wipers will automatically keep your vision clear at the first sign of rain.

REAR REVERSING CAMERA

The rear camera with Predictive Path Technology makes parking easier and safer by helping to ensure you avoid obstacles when reversing.

BOSE® AUDIO SYSTEM

Enjoy rich, clear sound from the extraordinary quality of the audio system. The system comes with a 7" colour display and you can load up the hard disk drive with your music library (2GB on ST and 9.3GB on Ti). Both models offer iPod® connectivity and a total of 11 speakers (including 2 subwoofers).

60/40 SPLIT-FOLDING SEATS

Need to fit something big in the back? The Nissan Murano has 60/40 split-folding seats, which can be lowered by a lever in the boot area. When you need more room for passengers, the touch of a button on the Ti model will power them back into place.

EXTRA TI FEATURES

SATELLITE NAVIGATION

Get where you are going efficiently and easily with the new-generation HDD satellite navigation system with 3D mapping.

DUAL PANEL SUNROOF

Both front and rear passengers can enjoy additional sunshine via a dual glass panoramic sunroof, or if they prefer, they can close the power shades.

POWER TAILGATE

Packing and unpacking is easier with a tailgate that opens and closes automatically by pushing a button on the remote.

MEMORY DRIVER'S SEAT

Enjoy programmable settings for you and a second driver, so your favourite seating, mirror and steering wheel position are remembered at the touch of a button.

Power flip-up rear seats.*

Power tailgate.*

Dual glass panoramic sunroof.*

ST interior shown.

*iPod is a registered trade mark of Apple Inc. *Ti model only.

Tinted Bronze Ti.

6 AIRBAGS

Dual front, dual side and dual curtain SRS airbags will protect the occupants in the case of an impact.

ALL MODE 4X4

To maximise fuel economy the Nissan Murano normally runs in 2WD, but if the vehicle senses it is slipping, it will automatically change to 4WD to improve traction. And, if you prefer, you can lock the vehicle into 4WD at the push of a button.

VEHICLE DYNAMIC CONTROL (VDC)

A safety system to help keep you on your intended path, VDC senses if your vehicle starts to lose grip on the road. To help you maintain control, engine power is reduced or braking power applied to specific wheels.

TRACTION CONTROL SYSTEM (TCS)

Sensing when a front wheel is spinning, TCS responds by reducing throttle or applying brake pressure to help improve traction.

BRAKE ASSIST (BA) & ELECTRONIC BRAKEFORCE DISTRIBUTION (EBD)

More than "just stopping", Brake Assist senses emergency braking and automatically helps to apply maximum braking pressure if needed. Then, Electronic Brakeforce Distribution sends extra force to the rear brakes when it senses additional weight in the back.

ANTI-LOCK BRAKING SYSTEM (ABS)

In an event of an emergency situation, ABS will moderate the brakes to help the driver maintain stability and steering control as well as preventing the brakes from locking.

MYNISSAN

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

3 YEAR/100,000KM WARRANTY

Receive assurance with a 3 year/100,000kms warranty with the option of extending further for up to 6 years.

24-HOUR ROADSIDE ASSISTANCE FOR 3 YEARS

No matter where you are planning to go, you will have the reassurance of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we will help get you back on the road at no charge^.

CAPPED PRICE SERVICE

For 6 years or 120,000kms* you will always know the maximum price you'll pay when you come in for your next Scheduled Service at any Nissan Dealer.

FACTORY-TRAINED TECHNICIANS

Using dedicated diagnostic equipment and genuine parts, your vehicle will be kept in top condition and in the safest of hands.

MYNISSAN IPHONE APP

Request roadside assistance and advise of your location using your phone's GPS, plan trips, search for locations, plus set registration, service and parking expiry reminders.

NISSAN GENUINE ACCESSORIES

Your Nissan Dealer can show you a variety of accessories to protect, enhance and personalise your Nissan Murano.

FINANCIAL SERVICES

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

our comprehensive ownership experience

^Terms and conditions apply, please visit nissan.com.au/roadsideassistance

*Ask your Nissan Dealer to explain exactly what items are covered in each Scheduled Service. Applies to the first 12 X 10,000kms scheduled service intervals for up to 6 years/120,000kms (whichever occurs first). Some exclusions apply. Ask your Nissan Dealer or visit nissan.com.au/cpstcs for full terms and conditions.

Brilliant Silver (K23)*

Tinted Bronze (CAB)*

Tempest Blue (RAQ)*

Precision Grey (K51)*

Black Obsidian (KH3)

Burgundy (AX5)*

Ivory Pearl (QAB)

[^]Vehicle towing capacity is subject to towbar/towball capacity and design. Towing capacity may be reduced if a non genuine Nissan towbar is fitted. Please refer to the Genuine Accessory brochure for towbar capacity information.

* Indicates a metallic colour, which is available at extra cost.

∞GVM = Gross Vehicle Mass. GVM includes the driver, 4 passengers, full fuel tank and luggage.

Δ Figures have been calculated in accordance with ADR81/02. Actual fuel consumption will vary depending on driving conditions, driver behaviour, the condition of your vehicle and the accessories fitted.

+ iPod is a trademark of Apple Inc.

Towball download	Vehicle Mass
25kg	GVM (All Variants)
50kg	Reduced loaded vehicle mass below GVM* by 40kg
100kg	Reduced loaded vehicle mass below GVM* by 100kg
150kg	Reduced loaded vehicle mass below GVM* by 160kg

If the loaded vehicle mass is reduced as shown in the table, the towball download can be increased correspondingly. Accordingly, if the laden mass is 160kg less than the GVM*, a towball download of 150kg is approved.

Different trailer types and different trailer manufacturers have varying towball downloads. The customer will need to contact the trailer manufacturer for information as to the download.

Nissan is not able to make any recommendation on the use or suitability of load-levelling or weight distribution devices to be fitted to the vehicle. Customers should contact the manufacturers of these devices for further information.

Optional Standard

Black leather trim. Available on all ST and Ti. Minor trim variations may occur from time to time.

Ivory leather trim. Available on Ti in Burgundy, Black Obsidian and Ivory Pearl. Minor trim variations may occur from time to time.
